

The Sustainability Nexus Ltd supports the Sustainable Development Goals

# Material SMART Program

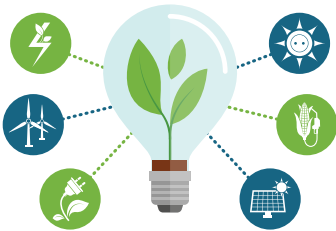

*Circular Design - Apparels for tomorrow*

Objectives

- Elevate Your **Material Choices**
- **Life Cycle** Assessment
- Embrace **Circularity**
- **Sustainable Product** Legislations
- Training & Capacity Development
- Boost Performance and **Transparency**

# Renewable Energy

# Energy & Carbon SMART Program

*Save for tomorrow*

Objectives

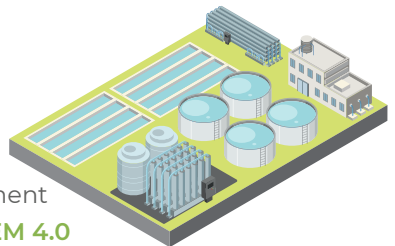

- 10 - 25% **Energy** Use Reduction
- 7-20% **reduction** in GHG Emission
- **ASHRAE Level 2** Energy Audits
- **Climate** Aligned Targets Setting
- Be Ready for **SBTi**

# Chemical & Wastewater SMART Program

*Save water for tomorrow*

Objectives

- **Water Balance** Diagram
- Detailed **third-party parameter** assessment
- Appropriate documentation for **Higg FEM 4.0**
- Training on **CMS** as per ZDHC
- 10 - 20% reduction of GHG from Biological Wastewater treatment

- **As-built Drawing** and **Calculations** with acceptable references
- **Structural analysis** and Detailed Engineering Assessment (DEA)
- Structural Analysis and **Style of structure**
- Determine the **carrying capacity of the soil**
- **Reinforcement capacity** check
- **Foundation area** and capacity check
- **Retrofitting** work

Objectives

# SusNex Academy

Training Courses

- GRI Certified Training Course
- Certified Training Course on SLCP Deep Dive, Data Collection & Verification, New CAF v1.6
- GHG Emission Inventory preparation for SBTi
- How to write a comprehensive Sustainability/ ESG Report
- GRI Certified Professional Exam Prep Workshop
- Sustainable Materials, Circularity and Traceability
- Environment, Social & Due Diligence
- Energy Audit Essentials
- ETP Operation, Performance, Analysis & Improvement
- Wastewater Recycling & Zero Liquid Discharge (ZLD)

# Sustainability Reporting SMART

Being Prepared for Tomorrow

Expected Outcomes

- SMART Sustainability Goals & Strategy
- ESG Implementation Road Map
- Effective ESG KPI & Reporting Metrics
- Better ESG Due Diligence
- Pro-active Risk Management
- Strong Brand Reputation
- Better Regulatory Preparedness
- Better Transparency & Accountability
- Achieve more in Higg 4.0
- Rank high in International Benchmarks
